Grammar and Language Quality Report =======================================

1. Spelling ----------------

* No spelling mistakes were found in the given assignment.

2. Punctuation -----------------

* Missing punctuation mark: A period is missing at the end of the sentence. * Suggestion: Add a period at the end of the sentence to make it a complete sentence.

Error: Expected UploadedFile object, but got bytes.

3. Sentence Structure -------------------------

* The sentence is simple and clear, but it could be rephrased for better clarity. * Suggestion: Consider using a more descriptive phrase in place of "Error".

4. Language Clarity ----------------------

* The language is clear and concise, but the sentence could be rephrased for better readability. * Suggestion: Consider breaking the sentence into two or more sentences for better clarity.

Revised sentence: * An error occurred: The expected object type is UploadedFile, but the actual object type is bytes.

Additional Suggestions -------------------------

* Consider adding a brief explanation or context for the error message to help users understand the issue. * Suggestion: Add a sentence or two explaining the expected object type and the actual object type received.

Revised text: * An error occurred: The expected object type is UploadedFile, but the actual object type is bytes. This may be due to a mismatch between the file type and the expected type, or a bug in the file upload process.
